CRANNING

foreword

Four fast years—and the Class of 1950 is no more. Four years that started with the slowness and uncertainty of a newborn babe, that gradually accelerated—with the loosening of home ties, bonding of new friendships and creation of new interests—and finally, with a whirlwind of senior activity, built themselves swiftly to a climax, and equally as swiftly passed on. . .

Memories aren't important at first. Names, faces, and events are too indelibly imprinted on the minds and hearts of us all, as a part of our immediate existence. For four years we have lived Davidson—in the classes, in the dorms, the athletic field, at the dances. The Davidson Spirit is a part of us—not a memory. No, memories aren't important at first. . .

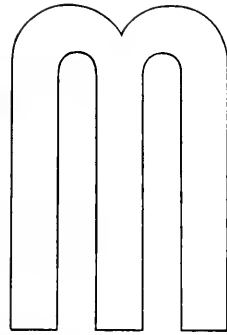

Time dulls all things. Names are forgotten, faces become hazy, and events lose their singularity as they become wedged tighter and tighter among our ever-growing store of past occasions. Yes, in time, even the Davidson Spirit fights an oft-time losing struggle for its rightful place in our hearts. Precious memories drop forgotten by the wayside as we rush onward through the years . . . onward through life. . .

The time, the labor, and the thought that has gone into the preparation of these pages has been done in the hope that you will enjoy browsing through them, and that it may afford for you an occasional happy hour or so—not only now, but especially in the years to come, when memories shall have become important.

To Mr. Edgar N. Linker we dedicate

The Nineteen Fifty Quips and Cranks

For eleven years Cop, with his ever present pipe, has been a familiar figure on our campus. We have long admired his calm approach to life, his ready conversation, and his faithfulness to the school's best interest. As a man of high character, this "phantom of the night" has been courageous, devoted and steadfast toward his work and in every way exemplary of the Davidson spirit.

T_o *Members of The Class of 1950*

MY DEAR FRIENDS:

As you come to the conclusion of your college careers, it must seem to you, as to all of us in the Faculty and Administration, a surprisingly brief journey. Viewed in prospect it appears as a long trek; viewed in retrospect it is surprisingly brief and fleeting. To us who continue at the College, hardly do we come to feel that we know you personally and to depend upon your leadership before you are ready to graduate and become alumni.

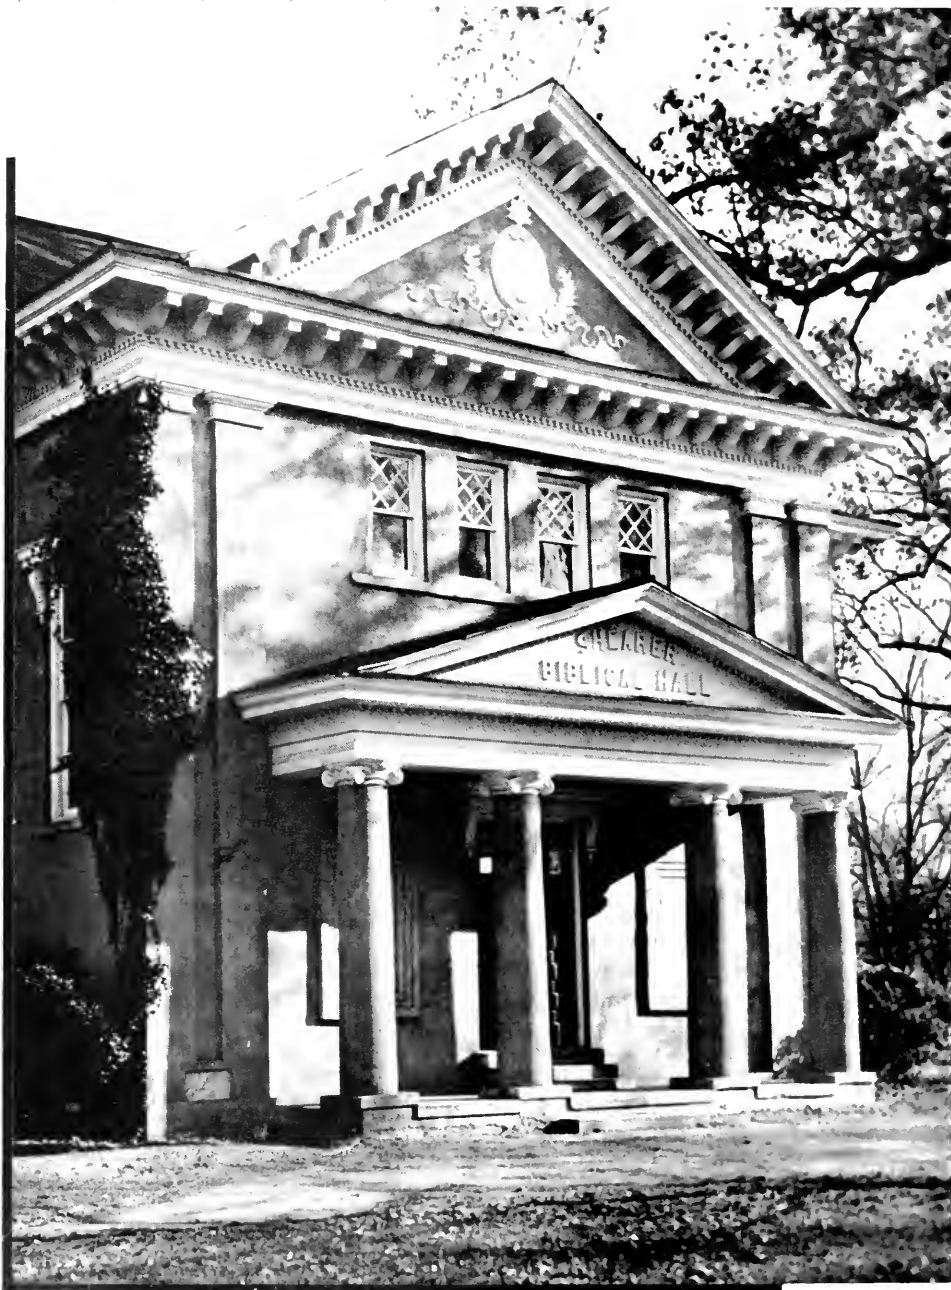

I cannot adequately express either the friendship I feel for you gentlemen or the high hopes I entertain for you as you go out to take your places in your chosen vocations. Your Alma Mater has sought to do for you, imperfectly I know but sincerely, the best she could to equip you in mind and in character for the journey which lies ahead. It will be given you to live through formative years in the history of the world. Whether you live conspicuously or obscurely it is my confidence that you will live creatively.

You go forth as alumni of Davidson College. You will wear that honor with distinction I trust. Be assured of our prayers for your happiness and success wherever you may go.

Very cordially yours,

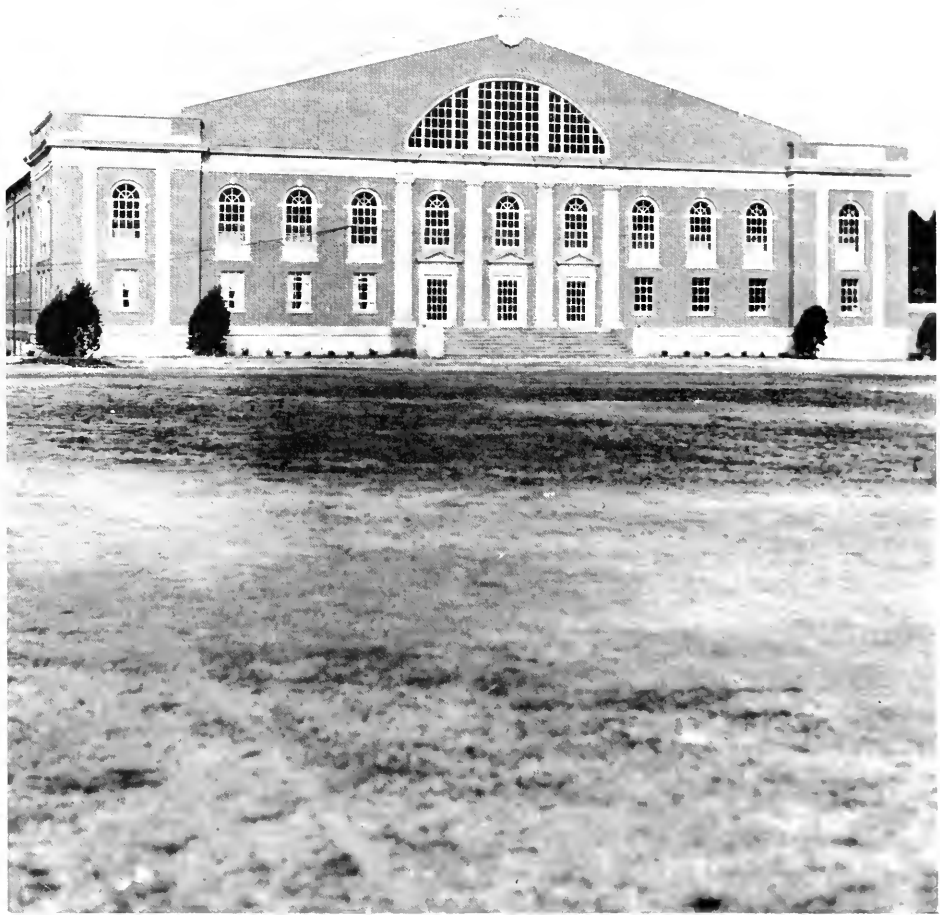

JOHN R. CUNNINGHAM

Snapshots of Half Century at Davidson

By PROFESSOR E. J. FURVIS

A bugle sounded the assembly call. The excited crowd, which had been scattered over the campus watching the spectacular fire, gathered about Dr. Martin.

"My Friends," he said, "this is a serious blow. Chambers lies in ashes. We must staunchly face conditions. I am not cast down or discouraged.

"I hear a rumor that the College will be disbanded and that some are preparing to leave for their homes. Nothing is further from the truth. The College will not disband, and College exercises will continue without interruption.

"I now call the faculty to meet in my office at ten o'clock this morning to arrange schedules and recitation rooms and to provide quarters for every student.

"I confidently rely on every member of the faculty and the student body to rally to the College in this day of her distress and support me in every effort to advance her interests. I am confidently counting on every one of you.

"Chambers is no more. But I here and now pledge that, with God's help, before I quit, a finer and more service able building shall take its place.

"The sun is just rising. A new day is begun. Let us face a new and better day for Davidson."

The burning of Chambers Building was the most dramatic incident in the history of Davidson College. The date, November 21, 1921, almost the mid point of the past half century, may serve as a guide-post for some heterogeneous and fragmentary but more or less chronological recollections.

In 1900 all classrooms, laboratories, dormitory rooms concentrated in Chambers Building . . . Rooms lighted by oil lamps . . . Open fires . . . Coal bins in the rear of Chambers . . . Uncle Hiram, Holtzclaw, Enoch, who made fires and cleaned up rooms . . . Library, also in Chambers Building, beautiful but unlighted and unheated, open two

hours in the afternoon . . . Shower baths in Y.M.C.A. Building which was also the gymnasium . . . Chapel at 7:40 a.m. . . Take Wiley off and on . . . Dr. Shearer still giving lectures in defense of slavery . . . Medical College . . . Philanthropic and Lumanean societies the most important organizations on the campus . . . Chief social events during the year . . . Junior and Senior speakings, with a combination of oratory, girls, and receptions . . . No dancing . . . No card playing . . . No leaving the campus at any time without permission . . . Commencements gala occasions; brass bands; big crowds; horse and buggy rental, dates made for after-breakfast, before-supper, and after-supper drives, most popular boy drove a spanking two horse team; most popular girl received the Chief Marshal's regalia, which was presented by a friend with much form and ceremony . . . Athletic Field south of Chambers Building . . . Field Day consisting of inter-class track events on the "D" . . . Tennis courts back of Chambers Building . . . Fraternity halls also in Chambers Building, beautifully decorated.

Steady growth of Student Body and Faculty . . . Martin Chemical Laboratory, 1901 . . . Shearer Hall, architectural monstrosity, but very useful, carved from the old classic Chapel, 1902 . . . Freshman Rebellion, 1903 . . . First electric lights in new palatial Rumpel Dormitory, 1904 . . . Sprunt Field . . . Watts Dormitory, 1906 . . . Bobby Nail, who pitched in the New England League during the summer and at Davidson during the spring . . . Library built with funds presented by Andrew Carnegie, 1909 . . . Georgia Dormitory 1909 . . . D Club . . . Basket hall . . . Golf course mowed by Dr. Arbuckle's Sheep . . . *The Davidsonian* . . . Alumni Gymnasium . . . O Davidson . . . O.D.K. . . Visit of Woodrow Wilson, 1916 . . . Influenza Epidemic, 1918 . . . S.A.T.C. . . R.O.T.C.

Barracks built to house students after the burning of Chambers—East and

West Dormitories, 1922 . . . Campaign to raise funds for rebuilding Chambers

Paired streets instead of the mud holes of the town of Davidson . . . paved highways conducive to hitch hiking . . . Phi Beta Kappa . . . Quadwringlers Club . . . Dramatics . . . Moving pictures in the gymnasium . . . Miss Shaw's History . . . *The Magazine, The Chameleon, The Yowl, Scripts and Pranks*

Duke Endowment . . . Kelly report . . . Increase and reorganization of the Faculty . . . Electrification of the Faculty seats during Chapel in Shearer Hall . . . The Suicide Club . . . Foot ball team of 1926 . . . Church service interrupted by the burning of Watts Dormitory . . . Metrophilian and Pandemic Societies short lived . . . Watts rebuilt . . . New Chambers finally completed.

F.B.I. on the campus . . . Fraternity Court . . . Moving Picture Palace built in Davidson . . . Student speaker rebuked in Chapel . . . Elaborate Centennial Pageant in 1937 rained out . . . my most poignant memory . . . Financial campaign . . . Infirmary . . . Duke Dormitory . . . New Science Building . . . New Library . . . Moving books from the old Library to the new . . . Another financial campaign to raise money for new Gymnasium and Church . . . Old Library transformed into a Guest House . . . Music . . . Jawbreaking names of Air Corps Cadets beginning with "K" or "L" . . . A.S.T.A.P. . . Returning veterans, many with charming wives . . . Cardboard Village . . . Dancing on the Campus . . . Memories of Davidson College . . . "Cloud over Catawba" . . . Still another financial campaign of great magnitude nearing successful completion . . . new Gymnasium . . . Ground broken for new Church . . . Margaret Truman.

The ghost of Old Chambers, which appears during dry weather each summer, reminds us that Dr. Martin's pledge has been fulfilled and urges us to make the new Davidson a better Davidson.

activities

At Davidson we have passed our four

years not merely acquiring knowledge.

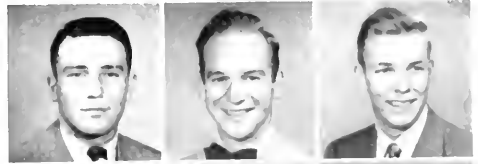

Student Government

The prime duty of the Student Government is the enforcement of the Davidson Honor System. The fourteen man Student Council is composed of the President, Vice Presidents, and Secretary-Treasurer of the Student Body, and the Presidents of the three upper classes together with four men elected by the Senior Class, two by the Junior Class, and one by the Sophomore Class.

Y. M. C. A.

The primary objective of the Davidson Y.M.C.A. is to minister to the spiritual needs of the Davidson Students and others within this area. Well rounded spiritual growth is encouraged by means of a widely diversified program carried on by the fourteen departments of the "Y." Included in this program are the sponsorship of boys work, deputations, a Christmas Gilt Fund, teaching Sunday School classes, and many other projects for the expansion of the religious and social life of the students. This year the Gilt Fund was sent to the Philippines Y.M.C.A. to help in the rebuilding of the "Y" boys camp at Holo.

Officers: Bill Alexander, President, Neil Leach, Vice President, Tommy Langford, Vice President, Bill Smith, General Secretary.

Board of Control: Dr. J. R. Cunningham, Mr. J. I. Jackson, Prof. H. Bauman, Rev. Carl R. Pritchett, Curtis Harper, Dave Anderson, Harrison Taylor, Randy Taylor, Neil Leach.

Court of Control

The Court of Control is the organization empowered by the Student Body Constitution to maintain freshman discipline through "the hearing, investigation, and dealing with charges brought by upperclassmen against freshmen for improper conduct, violation of Freshman Regulations, or breaking college traditions." Sentences meted out by the Court usually consist of confinement of the errant freshmen to the campus.

The Court also serves as an advisory body in helping the new men to become oriented in their new college life.

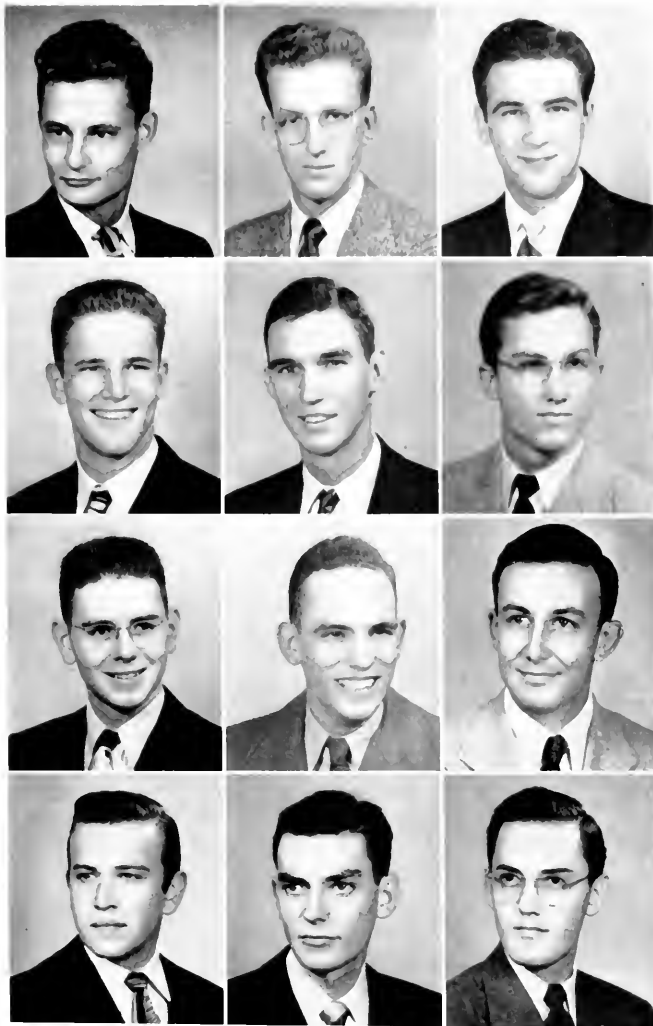

The Court is composed of the Judge and the Recorder, together with two members appointed from each of the upper classes.

Senior Members: DOUG RICE, Judge; JIM VANN, Recorder; CHEVILTON TORRENCE, JOHNNY RICHARDS.

Junior Members: JOHNNY KELTON, WOOD LEACH.

Sophomore Members: BILL ACKER, HAM WARD.

The Red and Black Masquers is an honorary group composed of those who have actively shown their interest in dramatics. Its purpose is threefold: to foster an interest in the theater, to honor those who have shown excellence in participating in the Masquers' productions, and to provide plays for the entertainment of the student body and friends of Davidson. Tryouts for both cast and crew of all productions are open to the whole student body, and all who are interested may participate. This year the Masquers have produced the comedy "John Loves Mary" and two one-act plays.

Philanthropic Literary Society

The Philanthropic Literary Society was organized in 1837 for literary and social purposes, and since that time has had as its main objective the furtherance of literary and oratorical activities. To this end the society annually sponsors debates and creative writing contests in the fields of poetry, essay, and short story writing. During its meetings a proper use of parliamentary procedure is stressed and impromptu speaking is encouraged. Among its many activities, the society sponsors chapel programs for the entertainment of the student body, a competitive oratorical contest with Eumanean Literary Society, a Spring Social, and furnishes two marshals for the graduation exercises.

The literary society, being the oldest on the campus, is dedicated to the purpose of bettering the writing and speaking powers of its members. A medal is given to the outstanding freshman orator in the membership, and much work and recognition are devoted to both debating and original composition. The society encourages both love of literature and argumentative discourse which provokes thought. The society with its membership consisting of selected students from all four classes closely adheres to parliamentary procedure in all of its meetings and offers a time for the discussion of current affairs and for the making of lasting friendships so necessary to college life. Clear thinking, clear speaking, and clear writing are the ultimate goals of the Eumanean Literary Society.

This year Davidson is proud to have ten seniors as representatives in *Who's Who Among Students in American Universities and Colleges*. These men have been chosen for their scholarship, leadership, character, general service, participation in campus activities, and potential usefulness to society. This honor gives national recognition to these men as being among the finest products of American education.

The Photo Club

The Photo Club, organized in 1948, seeks to promote an interest in photography and to provide a means of expression for those who are interested in photography as a hobby. Membership is open to all members of the student body. The Club has undertaken the sponsorship of a monthly contest, the "Picture of the Month" being selected from entries submitted by the members. The group has as its faculty sponsor, Mr. Lucy Sellas. Officers, Charles A. Burrus, President, J. T. King, Secretary-Treasurer.

FORENSIC COUNCIL

The Forensic Council of Davidson College was established for the purpose of promoting an understanding of current issues and of developing good speakers. Also, the Council represents Davidson in the field of intercollegiate debating and in various other speaking events. Sponsored by a faculty committee headed by Dr. Frontis Johnston and including Dr. Guerrant and Prof. Griffin, it is composed of two four-man teams and four alternates.

This year the Council has participated in several on-campus debates and other debate tournaments with other Southern schools. In addition to taking part in these debates, the Council each year holds a Freshman Oratorical Contest for the purpose of stimulating interest in forensic activities.

BILL SMITH
Business Manager

QUIPS AND CRANKS, the yearbook of the Senior Class of Davidson, offers a pictorial presentation of the activities which occur throughout the year on the campus. The publication is a mirror of student life from the time a man enters college to the last days before graduation.

QUIPS AND CRANKS has been published every year since 1895 except for brief interruptions during the two wars of this period.

It is hoped that the book this year will not only serve as a reminder in future years to the graduation class of their happiest days spent at college, but also will be a clear picture of life here at Davidson to those other than the student body.

SCRIPTS AND

THE EDITORIAL STAFF

Scripts and Pranks, the student magazine of Davidson, gives those on the campus with a literary bent an opportunity to express their talents. The magazine is published in October, December, March, and May, and presents a fine cross section of short stories, drama, poetry, art, and book reviews.

Scripts and Pranks is published with the intent of student appeal, but many alumni and parents have found that it is enjoyable and gives an insight into the minds of the students.

PUBLICATIONS BOARD

The Publication Board has, by virtue of the power vested in it by the Constitution of the Student Body, "complete supervision over the financial administration of the three student publications."

The Board is composed of the three students elected by the Student Body and two faculty members appointed by the college administration. It appoints the business managers of *QUIPS AND CRANKS*, *Scripts and Pranks*, and *The Davidsonian*. These three men are responsible to the Publications Board and must submit a planned budget, upon which their publications are run.

The Board meets once each month and is instrumental in co-ordinating the activities of, and giving joint supervision and mutual aid to, each publication.

The Male Chorus

The Male Chorus is composed of some forty-five singers selected by try-outs in the fall. This group, under the capable direction of Mr. Earl E. Berg, has had one of its most successful years. The chorus represents and renders service to the college in many ways. Among the most important is the providing of music for Sunday evening vespers, the Christmas Vesper service and active participation in the annual presentation of "The Messiah" and in the annual Arts Festival. One of the high lights of the year was the presentation of a thirty minute transcribed program over the Mutual Broadcasting System.

Football Band

The Football Band, made up of seventy-two members, has done much to further the spirit of Davidson at athletic events. The band drew much praise and attention with their high grade of marching and musicianship. Particularly praiseworthy were the original and unusual formations and maneuvers. The credit goes to the capable leadership of the band's officers and to Mr. James C. Pfohl, whose fertile imagination plans the attractions. Perhaps the outstanding event for the band was the playing for the Rollins-Davidson game in Winter Park, Florida.

JAMES C. PFOHL, Director

JIM CAMPBELL, President

Symphonic Band

JIM CAMPBELL, President

The Davidson College Symphonic Band, under the guidance of Mr. James C. Pfohl, has grown in size and prestige until today it is frequently referred to as "the South's finest college band." This year the band is composed of about sixty selected musicians who know and love their music. It is their intense interest and enjoyment in what they are doing that has contributed so much to the success of this fine organization. The high light of the year is the annual Spring Tour in which the band presents concerts in various cities.

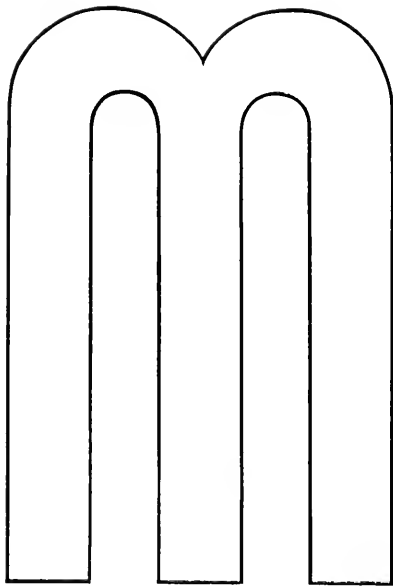

Little Symphony Orchestra

This organization is composed of the best orchestral material, both faculty and students, available in Davidson and Queens Colleges. The orchestra plays a vital part in the annual presentation of "The Messiah" at Christmas, as well as the impressive Christmas Vespers and the Arts Festival in the Spring.

The Rifle Team

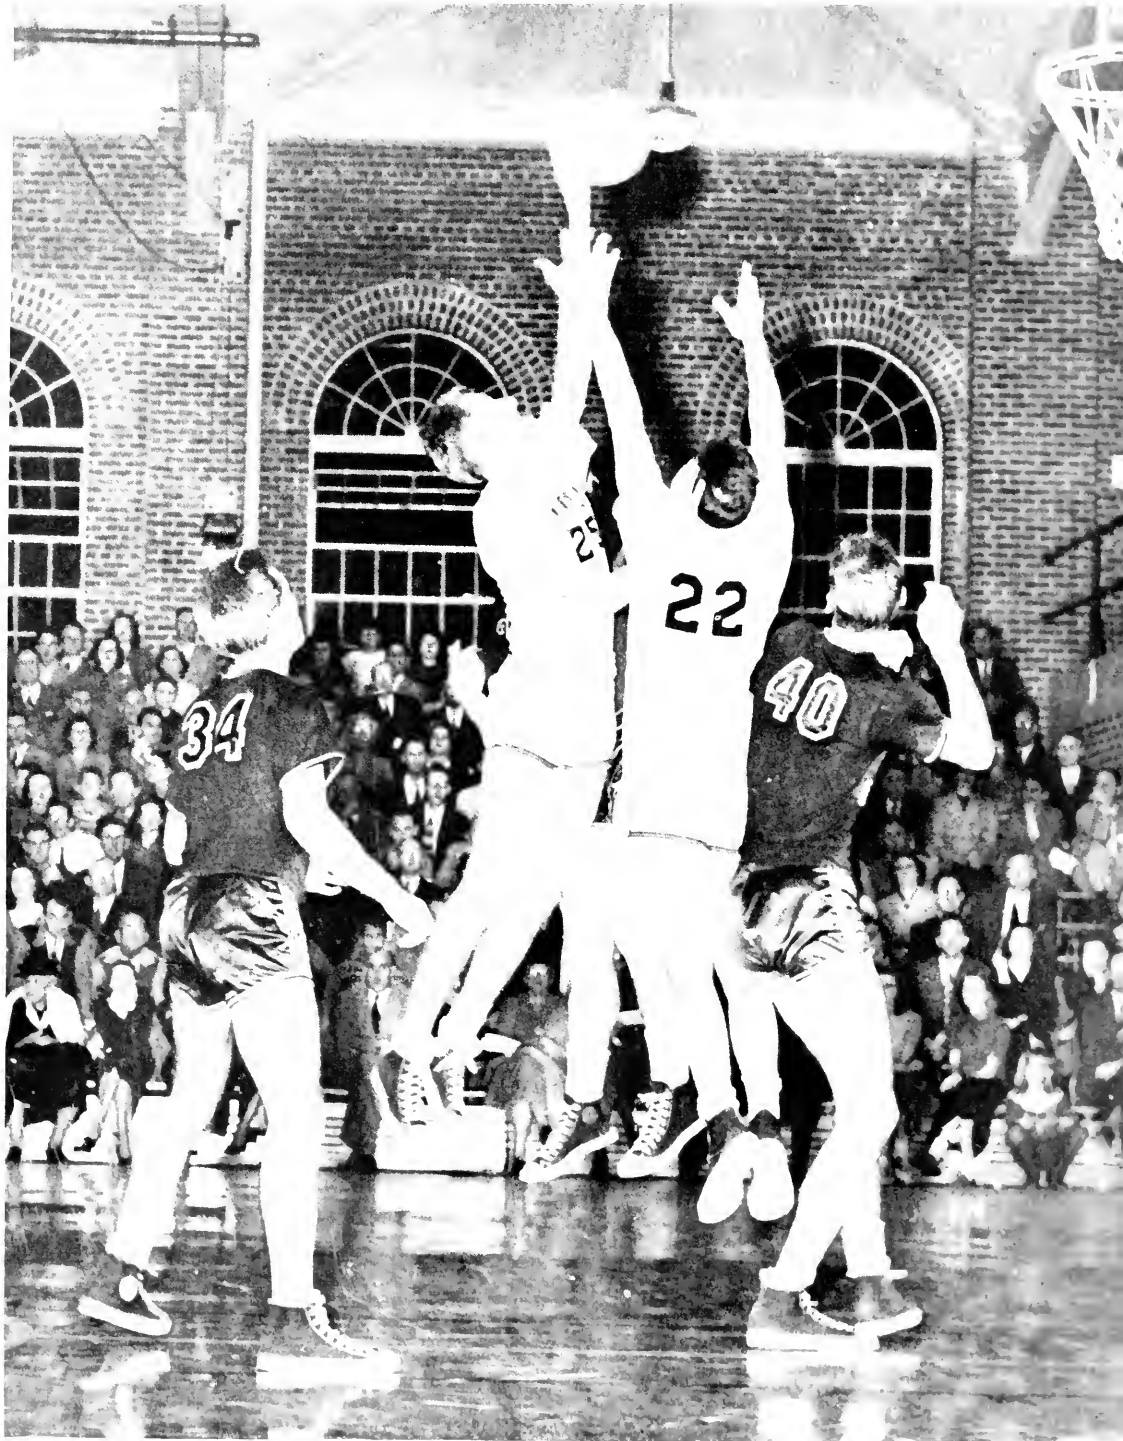

The Rifle Team was coached this year by Sergeant First Class Butts. It is composed of members of the R.O.F.C. unit, and includes several returning lettermen.

They have fired in nineteen correspondence matches so far this year, and have won nine of these. They have fired in three shoulder to shoulder matches, winning from Wofford College and Oak Ridge Military Institute, but losing to Clemson. Three other shoulder to shoulder matches remain in the schedule.

The team has also fired in the Hearst Trophy matches but the results of this match have not yet been received.

Davidson Wildcats

The best material in over a decade greeted Coaches Charlie Jamerson, Dick Redding, Ray Brown, and Boyd Baird as the Davidson football squad prepared for the 1949 grid wars. Spirits were high and the best season in years was in prospect, but before the campaign was scarcely started, it became apparent that all the predictions and hopes were for naught. Playing ten games, the Cats could salvage only two victories from the group.

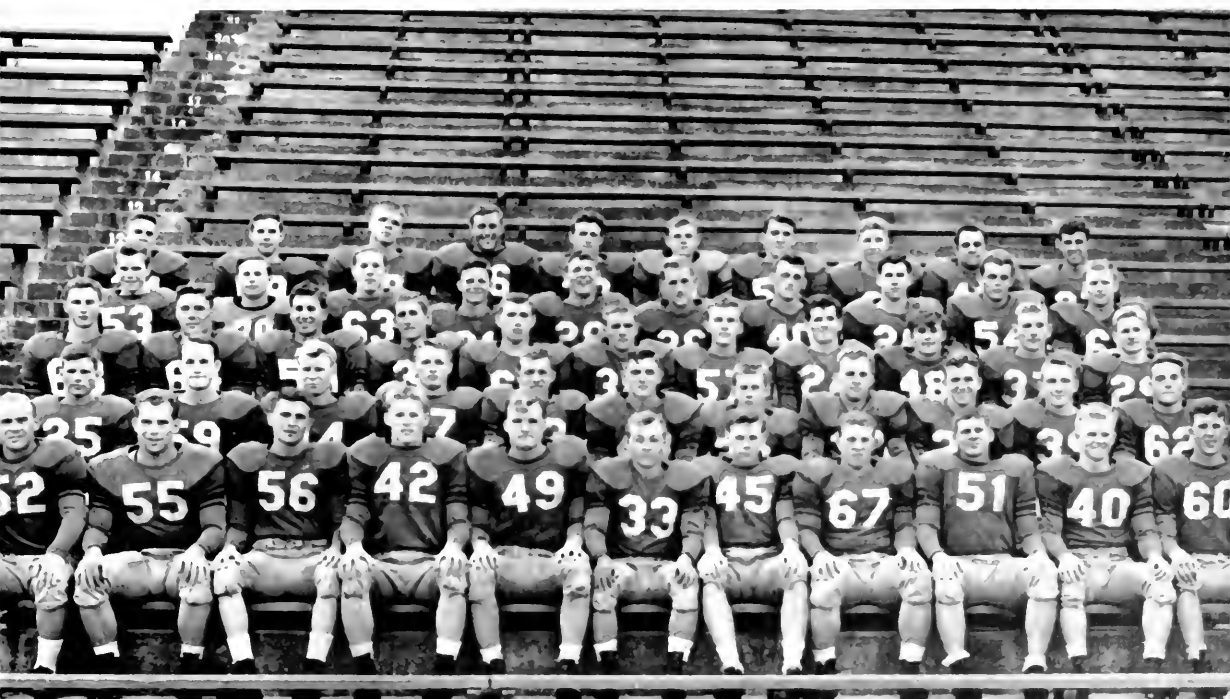

Coaches: BAIRD, JAMERSON, REDDING, BROWN.

The schedule, including inter-sectional foes St. Louis and mighty Army, was the hardest that the Davidson squad had faced since before the war, but was not as tough as the won-lost record would ordinarily indicate. The single-wing attack employed by the squad could never start running smoothly and it lacked power in the line to make it click. The team was constantly plagued with injuries; there was hardly a man who was not sidelined at least once during the season, and as a result spirit and morale sagged sadly.

However, there was one bright spot in an otherwise drab season—the victory over N. C. State, 20-14, which was the biggest upset in the conference during the whole campaign. State could make no excuses. Davidson was the better team that memorable night. Few will forget little Jake Wade's 95 yard sprint after intercepting a pass. Nor will they forget the brilliant punts and smashing plunges of fullback C. E. Runyan.

It was a rocky road between the State win and the win over Bollins. For the Cat fell victim to St. Louis A. M. I., Richmond, and W. & F. However, in the fading weeks of the season, the team found itself winning over Bollins and falling to The Citadel in the finale after playing a good game.

Fullback Auburn Lambeth, the slim passing ace from Decatur, Ga., was the spark plug of the Cat offensive. Although slowed down considerably by injuries, he was able to complete 78 out of 148 passes—six for touchdowns—and led all the players in the state in total offense. For his feats, he was named to the Greensboro News All State team. Fullback C. E. Runyan won conference wide recognition when he was voted Sophomore of the Week in the Southern Conference for his performance against State. Center Johnny Richards was the recipient of the Ed Armfield Blocking Trophy, awarded annually to the best blocker on the team as selected by the coaching staff.

DAVIDSON 7—ARMY 47

In the opening game of the football season, Davidson College's Wildcats went out of their section of the country to encounter the mighty West Point Cadets. Although the favorites ran up an expected score of 47-7, there were some enlightening statistics which give a truer picture of the contest. The boys from the South ate up a gross total of 277 yards, net of 233, against a team which is known for its stout defense. Another revealing fact is that the losers rang up 16 first downs to Army's 14. The majority of Davidson's gains came on forward passes, with Auburn Lambeth on the throwing end much of the time.

After the Cadets had scored twice in the first period on a 46 yard march and a blocked punt, the fighting Wildcats came back strong. They drove all the way to the Army 18, but it was a recovery of a fumble on the 15 that set up the lone Davidson score. Hard-driving C. L. Runyan crashed over from one yard out, and after Hal Mapes' conversion the score stood 13-7, Army leading. Heralded Gil Stephenson then scored his second TD, followed by two pay-off tosses from All-American Arnold Galiffa.

The Cadets came back in the second half, scoring on passes by Galiffa, with the final tally coming from Bob Blaik, son of the West Point coach. The Wildcats threatened again in the fourth, but were finally stopped deep in Army territory.

Auburn Lambeth, not only great in his passing, looked very good running, while the other halfback, Jimmy Sifford, received and passed superbly. Cliff Turner also threw well, and it was glue fingered Mott Price who continually pulled in aerials.

DAVIDSON 7—P. C. 27

In a renewal of old time rivalry the Wildcats played hosts to their denominational brethren from South Carolina, the Presbyterian Blue Hose. P.C., relying on the championship South Carolina relay team for a backfield, unleashed a lightning fast attack which caught their hosts somewhat off their guard. The first score of the game came on a fumble which P.C. back George Fleming picked up and carried around right end to pay dirt. Before the quarter was up Blake Watts, another of Coach Lonnie McMillian's 10-second backfield men, took a hand-off from quarterback Bill Jolly and went the distance for the second P.C. score. Davidson came back on a beautiful pass by Lambeth, followed by an even more beautiful 46-yard run by Jim Sifford. Another pass to Mott Price put the ball on the 5 yard line, where Sifford went the remaining distance for the score. The third Blue Hose TD followed a few moments later and the final score came on a Jolly pass.

Sifford was the Wildcats' top ground gainer, clipping off 121 yards for the night.

DAVIDSON 20—N. C. STATE 14

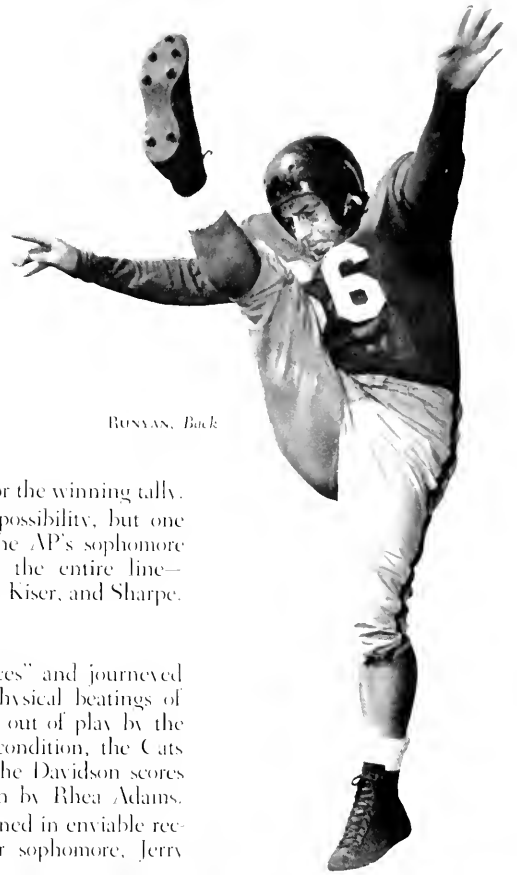

In a game that will be long remembered by all, the mighty Wildcats pulled one of the most amazing upsets of the season by coming from behind in the waning moments to down the highly favored N. C. State Wolfpack 20-14. State scored on the fifth play of the game to take an early lead, but the Wildcats came back strong to tie up the score at the half 7-7. On the kickoff at the second half Ed Mooney raced 80 yards to score what appeared to be the winning touchdown. Then after two minutes of the fourth quarter had elapsed Auburn Lambeth tossed an eight yard pass to Jim Sifford, who raced down field to bring the score to 14-13. Everybody thought this was the end of the game as far as Davidson was concerned, but little Jake Wade turned the tables as he gathered in a State pass on his own 5 and scooted downfield for the winning tally.

To pick individual standouts in this game is an impossibility, but one should mention the great playing of C. L. Runyan, the AP's sophomore of the week; Auburn Lambeth, Sifford, Rimer, and the entire line—Chandler, Eborn, Stricklin, Carnegie, Wilson, McNeely, Kiser, and Sharpe.

DAVIDSON 12—ST. LOUIS 41

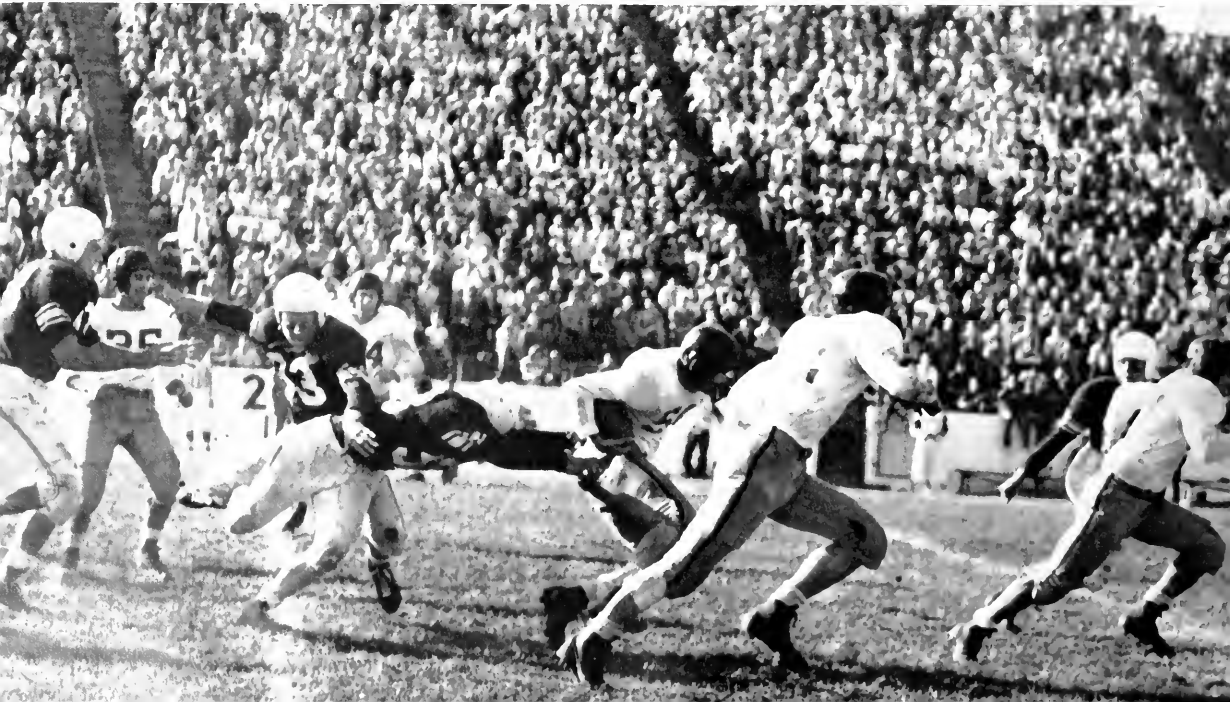

The Wildcats once again took to the "far away places" and journeyed to St. Louis, where they received one of the worst physical beatings of the year. With the entire starting backfield injured and out of play by the end of the half and with the line in much the same condition, the Cats found the game rough-going from beginning to end. The Davidson scores came on a pass from Lambeth to Sifford and on a run by Rhea Adams.

Sophomores Johnny Guiton and Ham Wade both turned in enviable records, averaging 5 and 5½ yards respectively. Another sophomore, Jerry Kiser, also distinguished himself.

DAVIDSON 7—RICHMOND 28

For once in many years mother nature blessed Davidson Homecoming with clear skies and a dry field, but the Richmond Spiders put a damper on the occasion by downing the locals 28-7. Davidson entered the scoring column first by taking advantage of a fumble recovered by Woody Leach on the Richmond eight yard line. Cliff Turner passed to Pete Brown in the end zone for the touchdown and Davidson took a 7-0 lead, which it soon relinquished to the determined

Spiders. Before the final whistle had blown the Spiders had collected four TD's and two safeties to total 28 points.

Chandler, Blanks, and Kiser were outstanding in Davidson's forward wall, and Woody Leach did a good job on backing up the line. Henry Wilson played one of the best games of his career, and was in on a large part of all of Davidson's tackles.

DAVIDSON 0—WASHINGTON & LEE 53

Playing before a Homecoming crowd at Lexington, Va., the W. & L. Generals overpowered the fighting Wildcats to down them 53-0. Starting off well, the Wildcats drove to the W. & L. 22, where they lost the ball on downs. There the Generals took over and behind the brilliant playing of their precision-like sophomore quarterback, Gil Boretti, they moved down the field repeatedly for scores.

Ham Wade was the workhorse for the Davidson offense, while in the line Jim Fasul played his best game in trying to make up for the loss of regulars Sharpe, Chandler, and Eborn.

DAVIDSON 6—V. M. I. 47

Once again the Davidson Wildcats journeyed to the wilds of Virginia to play before a Homecoming crowd and once again they returned in defeat. This time it was the Cadets of VMI who pounced on the injury-plagued Cats, who once again had to rely mainly on a sophomore defensive team. Davidson's offense, still nursing its wounds, was largely on the sidelines, as Cliff Turner had to bear the brunt of the running and passing personally. The lone Davidson tally came on a 13-yard pass from Cliff Turner to Mott Price after the Cats had driven the ball on a sustained drive most of the length of the field.

DAVIDSON 6—FURMAN 21

A six year ambition was realized by the Purple Hurricane of Furman as they emerged victorious over the Wildeats for the first time since 1943. Showing vast improvement, the Red and Black machine made three costly fumbles on which Furman capitalized for three consecutive touchdowns to take a 21-6 decision. Furman scored early in the game to take a 7-0 half time lead which they never relinquished. The Wildeats made a sustained 76 yard drive to the Furman 17, which was terminated only by the half time whistle. The kickoff beginning the second half proved to be the fatal blow for the Davidsonians, as a Wildeat fumble was recovered on the Davidson 24 yard line and converted into a Furman touchdown several plays later, with Sonny Horton driving over from the two. In the same period, the third Wildeat fumble was converted into the third Purple Hurricane touchdown.

DAVIDSON 25—ROLLINS 0

Bouncing back from the previous week's defeat and showing the true Davidson fighting spirit, the Wildcats journeyed to Winter Park, Florida, to down a hard fighting Rollins team 25-0. Not content with merely a one-sided score, the vengeful Cats proceeded to produce a statistic column that looked just as bad as the score to the Floridians. The boys from North Carolina racked up 20 first downs to the home team's 6 and gained 266 yards passing to the opponents' 6. Auburn Lambeth turned in one of his better performances while tossing two TD passes to little Jake Wade. Fullback C. L. Runyan and Ham Wade accounted for the other two tallies.

DAVIDSON 19—CITADEL 25

Thanksgiving Day found the Wildcats meeting The Citadel's Bulldogs in Memorial Stadium in Charlotte. The Bulldogs, smarting from last year's 14-6 drubbing by the Wildcats, rolled into the stadium determined to win, while the Wildcats, fed up with the taste of defeat, met them with just as much determination. The game turned out to be a thriller which was tied up three times before the Bulldogs broke loose with a score in the last two minutes to clinch it. Davidson drew first blood when Johnny Richards ran a pass interception back 75 yards into pay dirt. The Citadel came back to tie it up at 7-7 and then scored again to make it 13-7. A few minutes before the half, however, Lambeth tossed a 52 yard pass to Silford on the 4, where Runyan took over and bulled his way to score, making the half-time score 13-13. Citadel took the opening kickoff and marched down the field to once again take the lead, 19-13. Not to be outdone, the boys in the Red and Black tied it up again at 19-19 on a pass from Lambeth to Brown. The Bulldogs, taking advantage of a short punt and an interference ruling, came back to score what proved to be the winning TD. Davidson crossed into pay dirt on the last play of the game, but the field judge ruled the runner out of bounds on the three-yard line.

"Who in the conference will Davidson be able to beat?" was a question more than one had asked at the beginning of the '49-'50 basketball season. Even the most optimistic found the picture looking pretty dim. All other teams seemed strengthened over the previous season: Buddy Check, Mike Williams and cohorts had graduated; Norman Shepard, the respected coaching wizard, had departed; the team's tallest man stood a mere six feet two.

When the first practice was called the dependable Whit Cobb was the only regular returning. There were four or five other boys who had seen limited action as varsity men. A host of sophomores who had a fine season as freshmen would have to be tested. Also from the frosh ranks came Coach Boyd Baird, who was promoted to his first major coaching job. It would take a lot of work for this group to even stay on the court against some of the formidable foes they were to meet.

As expected, State College, the class of the conference, throttled the Wildcats in their first encounter. However, critics began to sit up and take notice when a spirited Davidson bunch came out on top of a good VPI five in Statesville.

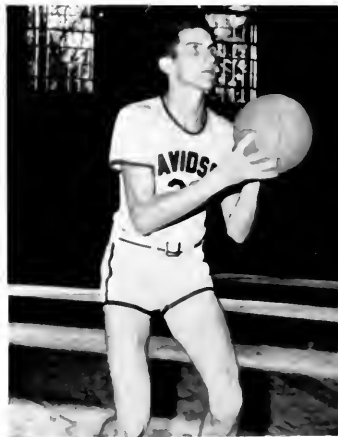

Results for the season were

On the night of December 15 the boys came home for the first time to the beautiful and spacious Johnston Gymnasium. The Duke Blue Devils, who were later to upset State, had too much as they posted a 66-49 defeat on Baird's crew.

BASKETBALL

It was against Hanes Hosiery, a powerful industrial team, that the locals showed that they had something. Sizzling hot, they went to work to score 90 points, the highest number ever recorded by a Davidson quintet.

The team showed early that they were going to be a rather unpredictable crew. After running cold a couple of times they tangled at home with the top dogs, N. C. State. While 2,000 fans cheered wildly the gang ran hot as they took the Raleigh boys right to the wire before losing in the final minutes. On January 16 the McCrary Eagles, North Carolina Industrial Champs, came to Davidson to absorb one of their very few defeats, 70-56.

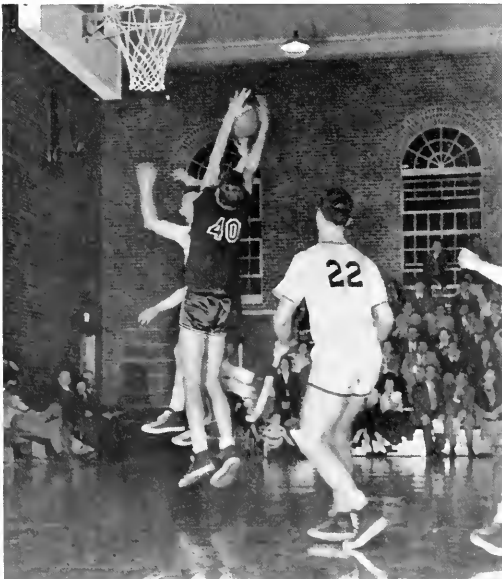

The Cats were less than tepid for a streak until they had to get revenge on the College of Charleston. VMH was taken in fine form, but it was the Clemson game that was the best of the season. The Tigers, fighting for a post in the Conference Tournament, played for keeps, but to no avail. Whit Cobb, who hit the twenty mark for the first time in his career, was greater than ever. He con-

tinued a late season scoring spree in the final games, turning in 22 points against The Citadel, the last game of the season and the last for Whit as a Davidson eager.

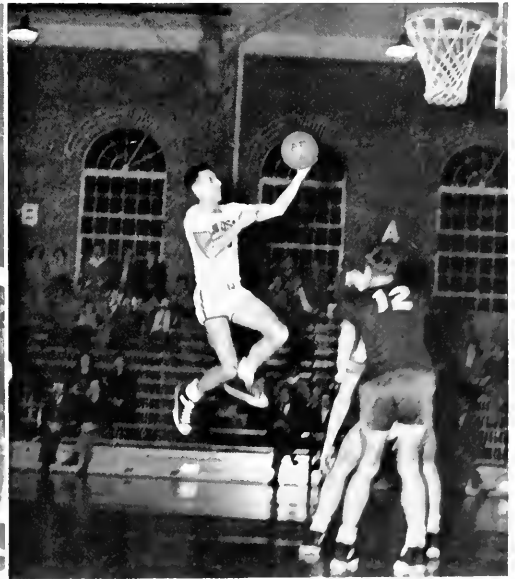

Looking back over the season, one can easily see that Coach Baird and his boys came a long way. Considering the inexperience and lack of height, which was always felt, it can be called a good season, despite the 10 win-16 loss overall record and 6-12 conference record.

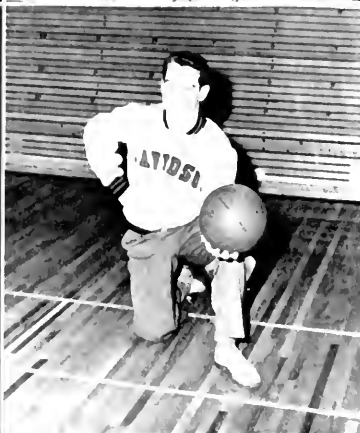

Special mention should go to Captain Whit Cobb, about whom too much can never be said. He was named to the Charlotte Observer All-Big Five Team because he was "the best defensive player in the state." The development of Tommy Haller and Dutch Hengeveld gave the team a great lift, as did the work of the sophomores from Kentucky, Bill Brooks and Tom Coleman. Brooks' 290 points and 11.1 average took scoring honors, while Haller, Cobb, and Hengeveld all got over the 200 mark. Sophomores Don Lazenby, Malcolm McLean and Bob Turk performed well and should see even more action next season.

BASEBALL

One of the best stocked clubs in several springs was on hand this year to tackle a rugged schedule assigned Coach Charley Jamerson's baseballers under the new Southern Conference northern and southern divisions, and after early season indications, the question of success seemed to rest not on pitching but power at the plate.

Until an opening swing through South Carolina during spring holidays proved otherwise, the mound corps was thought to hold the key to a winning year for the Wildcats. But old reliables Fred Hengeveld, Lefty Jim Hunter, Norm Whiteheart, ailing but able Charlton Torrence, and hot soph prospect Harold Smith soon exploded this fear with impressive debuts. Hengeveld, whose first Southern Conference start was a 3-2, five hit, nine strike-out win in cold weather against North Carolina's Tar Heels, was the number one hurler for the Wildcats this spring. The big, home-grown

DUTCH HENGEVELD, Pitcher

JAKE WADE, Second Base

CHARLTON TORRENCE, Pitcher

right-hander was looked for to enjoy his best year yet on the hill for the Davidsons.

Torrence, the Gastonia swiftee who ruled the roost on the slab last spring, was forced to take a back seat due to recurring trouble from a shoulder dislocation received back in the fall intramural football. Hunter and Whiteheart, both seniors with three years' experience behind them, served advance notices that this season would bring the best from both of them. Each evidenced more speed and control, the latter a factor which had hampered their effectiveness in the past. Smith, a standout last year as a freshman, brought the added depth Jamerson needed to strengthen his mound staff for the full slate on tap. The smooth working Ellington sophomore promises to be one of the conference's best in a year or so.

An infield solid in seniors gave the Wildcats an inner works comparable with the finest in the loop. Fredricksburg, Va.'s Bill Bird was back on third for the third straight year, a veteran performer who wears the tag of one of the league's best. One of the better hitters on the squad, Bird's consistency adds punch to the Cats' ability for base knocks. At shortstop, Captain Charlie Pearson was rounding out his fourth year of varsity ball, certainly as one of the steadiest, most dependable infielders the school has turned out. Both he and Bird were semi-pro operators throughout the summer months, and the experience was evidenced in their polished performances.

Little Jake Wade, a speedy hustler who has held a starting post since midway his sophomore year, was back at second as the vital cog in the Cat double-play killings, with big Hal Mapes stationed at the terminal end on first. Mapes, a long ball hitter, connected hard and often and was one

ROY HOUSE AND JOHN HOWARD
Managers

of the top offensive forces Davidson possessed on the diamond this year.

Running close behind Wade at second was Billy Houck, another senior with two years experience. Although more often than not yielding to Jake for the starting job, Houck saw considerable service covering the keystone sack. Husky sophomore Brady Osborne, who, like Mapes, is tall and heavy, worked behind the Bellerose, Long Island, senior, and gained the experience he'll need in inheriting first base duties next spring. Utility man was Jav Roberts, Gastonia product, who was slated to see most of his action as a relief at third for Bird.

Behind the plate were sophomore Johnny Jervis and senior Red Wilson. Jervis, a highly touted Detroit, Mich., Legion ball player, lived up to advance notices by turning in heady games under the mask. With a strong arm and plenty of speed, Jervis held an inside edge on Big Red, who did not muster quite the speed of the smaller backstop on the basepaths. C. L. Runyan, another Gastonia lad, was expected to give Jervis and Wilson a hot scrap for the post, but was forced to retire for the season due to a football injury which did not allow him to whip his throws at full power.

In the outfield, Jamerson had his fill of heavy hitters. The starting threesome usually saw Doug Rice in left, Auburn Lambeth in center, and Mac Erwin in right. Lambeth and Erwin were probably the most powerful hitters, along with Mapes, on the squad this year, and parked many a ball in the east stands of the stadium. Three hard-hitting sophs who need only seasoning, and senior John Rose supplemented the aforementioned trio. Of Tom Craven, Lee Falbert, and Jack Branch, the latter probably saw more service, but each powdered a ball mercilessly and undoubtedly will move into the outer garden next spring, at least into the posts to be vacated by Rice and Erwin.

On the whole, the club had the finest baseball material assembled on the North Mecklenburg campus in recent years. Even with Torrence out, the pitching staff was producing. The infield could be put up against the best of them. The question lay in hits and hits when the chips were down.

If the Cats were improved, they were only in a league which was fast enough to wipe out any advantage the improvement might have wrought. Meeting Wake Forest's 1949 NCAA finalists twice in the southern division play was typical of the fast company the Cats traveled in this spring.

GOLF

The golf team, led by lettermen Monty Hill, Ben Vernon and Cecil Brandon, are undefeated thus far. They have turned in four victories already, defeating South Carolina twice, and Fort Bragg and Catawba once each.

Six matches and the Southern Conference tournament remain on their schedule. Judging from their performance thus far this season, this should be one of the best links teams Davidson has fielded in years.

The team is composed of the above lettermen, Bill Cooper, Stuart Dickson, and Jimmy Sloan, with Mac McLean and Bob Bumbarger as alternates.

First row - C. Brandon, S. Dickson, B. Cooper, M. Hill, J. Sloan.

Beginning the season on April 1, with an overwhelming 112-48 victory over Furman University, the Davidson track squad looks toward turning in a good record for 1950. The schedule finds the Wildcats renewing competition with Wake Forest after a long layoff; however, it is the final dual meet of the year with Clemson that should be the toughest, not to overlook USC and The Citadel.

With lettermen returning in every event, Coach Pete Whittle seems optimistic and expects his team to earn more points in the distances, the hurdles, and the high jump. There are no worries about the discus, which will be handled by Captain Jim Vann. Vann grabbed a third place in this event in last year's conference meet and a third in the Florida Relays. He should be ready for greater honors this year. He is backed up by Bob Sharpe in the discus, while he and Buddy Chandler will do the tossing of the shot.

In the two mile run Bobby Long will be leading the way, closely followed by Bill Lee and Dave Anderson. Blake Bradley will be set to take the mile and half mile, but Tom Stockton should be pushing him all the time. Ed Montgomery, Dick Patterson and Dick Stockton will also be gathering points in these two events.

Top high hurdler will be Bill Pritchett, while Tommy Haller, high point man against Furman, should be best in the lows. Bill White and Ed West will also be men to watch. The high jump will be in the capable hands of Dave Williams, Roger Cornell, Bob Henderson and the versatile Haller. Cornell and Haller also broad jump, but it will probably be Whit Cobb who racks up the longest jump here.

The 100 and 220 yard dashes will usually be run by Ken Goodpasture, Bob Barron and Cobb in that order. Bill Klein seems prepared to begin where he left off last season in the 440; Bruce

Jim Vann, Captain

Ballenger will also be showing his talents in this run.

The javelin will be heaved by Joe Miller, Dick Blanks, and Jim Tickenen. Pete Brown will use his muscles to hoist himself over the bar in the pole vault. Haller might muscle into this event also. The mile relay team will probably be composed of such speedsters as Ballenger, Dick Stockton, Pritchett, Klein, and Lynn Crawley.

Since Sir Derrick Barton's arrival on the campus three years ago, the likeable tennis mentor has developed Davidson's netters year by year until this year they are at the peak and are regarded by sports savants as being one of the foremost squads in the southeastern part of the country.

Barton has pulled no punches in seeing to it that his netmen will face the best competition available—such schools as Florida State, University of Florida, Rollins, Harvard, Yale, Kalamazoo, William and Marv, UNC, Duke, Cincinnati—among others. At this writing, the racketmen have dropped Ohio State, Florida State, Georgia Tech, University of Georgia, and Harvard, while losing to Florida and Rollins.

Leading the Cat attack in the number one slot is Captain Bo Roddey, who is the third ranking intercollegiate player in the South. Teddy Keesler and Whit Cobb have been staging a battle royal for the number two position—both having played in this spot in the early part of the season. All three of these men are seniors. Another senior, Rob Palmer, has shown marked improvement over his last year's play and performs in the fifth position, while Allan Lanjoy has broken into the lineup for his first year of varsity play.

Biggest eye opener of all, however, has been the performance of Allen Strand, pint sized south paw who graduated to the number four position on the varsity after having started on last year's frosh crew. Two juniors, Peyre Kennedy and Bill Childs, and Dewey Keesler, another sophomore who swings from the left side, round out the talent studded squad.

Davidson was selected as the site for the Southern Conference Tennis Tournament on May 11, 12, and 13, and the advantage of playing on their home court should enhance the chances of the Cat swingers in their bid for individual conference honors. As a team, the Davidson squad stands a good chance of being the first athletic team from the Presbyterian institution to cop a conference championship in well over a decade.

THE 1950 TENNIS TEAM

WRESTLING

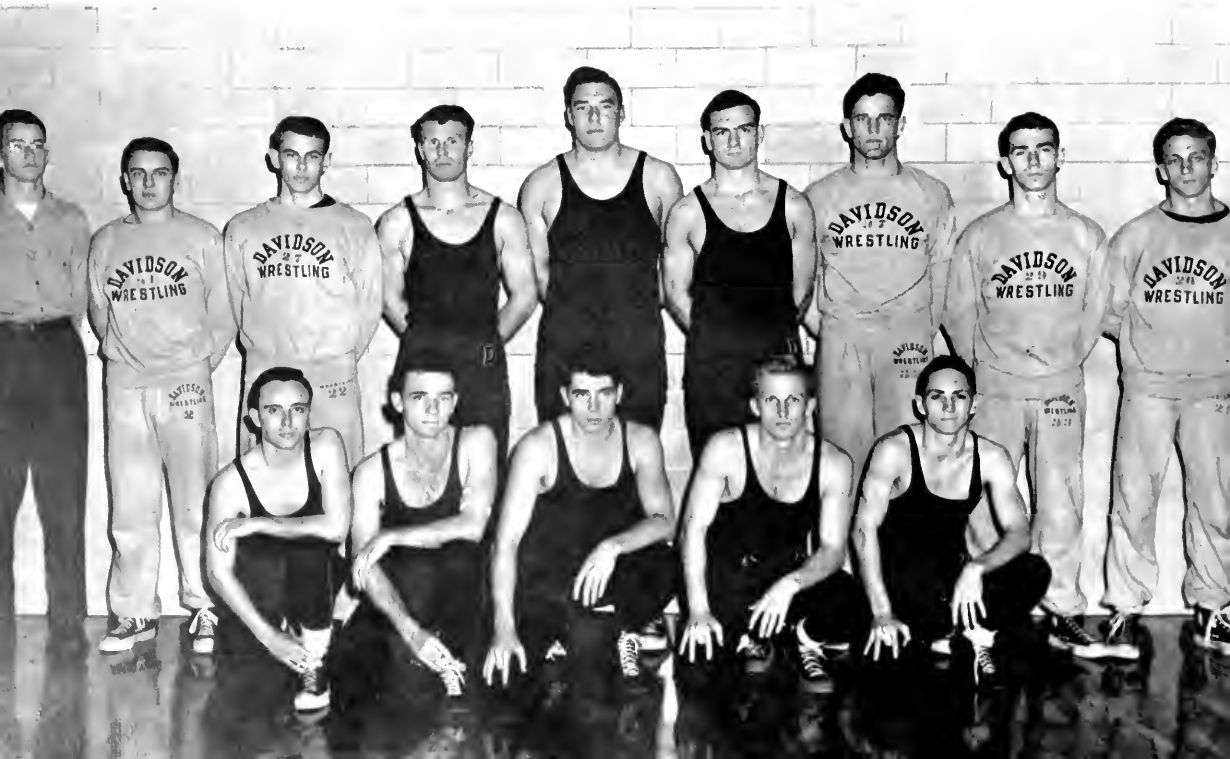

Davidson's wrestling team of this year, despite outstanding showings by several members, failed to live up to the expectations of many observers. However, the grapplers were faced with a hard schedule that included such worthy opponents as U. of Va., VPI, VMI, The Citadel, UNC, Duke, U. of Md., and N. C. State. The matters took a decisive victory from The Citadel and wrestled an excitingly close match with N. C. State, with the outcome in doubt until the last match. The Duke match was also very close.

The prospects for next year are unusually good, with a large number of returning lettermen. Returning will be Bell, Kelton, LaFar, Covell, Haynes, Gay, and McNeely, among others. Captain Alexander and Mott Price are graduating and will not return. Chuck Kirby, a former wrestler, was the team manager. Coach Charlie Parker directed the team.

BILL ALEXANDER - Captain

The most consistent winner for the team was Johnny Kelton in the 128 pound class. Both Kelton and heavy weight Bill McNeely showed up well in the Southern Conference Wrestling Tournament in March.

Bill Alexander, a senior, guided the team as captain and turned in a very enviable record. The lineup for the matches usually followed the order of:

- 121 lbs. Dan Bell or Murphy Cronland
- 128 lbs. Johnny Kelton
- 136 lbs. Shorty LaFar or Jim Grissom
- 145 lbs. Arnie Covell or Dudley Pendleton
- 155 lbs. Hal Haynes
- 165 lbs. Mott Price
- 175 lbs. Bill Alexander and Bob Gay
- Unlimited Bill McNeely

THE CROSS COUNTRY TEAM

CROSS COUNTRY

Losing but one meet, the Davidson Cross Country team closed out the '49 season with an enviable record. Although set back by the loss of Captain Jack "Gunder" Gray, the star of the past several years, the Cats, paced by Blake Bradley, Captain Bobby Long, and the Stockton twins, downed team after team in one of the best and most exciting exhibitions of Davidson athletic superiority in many years. The team, composed of Long, Bradley, T. Stockton, D. Stockton, Anderson, Grube, Patterson, Lee, and McKeithen, opened the season with a loss to N. C. State. Bounding back, they downed powerful William and Mary in the next meet, a team that had defeated them the year before.

Bob Lose, Captain

From this point the high riding Cats proceeded to emerge victorious in meets with Randolph Macon, Washington & Lee, Duke and South Carolina, whom they defeated twice by the perfect score of 15-55. Entering the Southern Conference meet, the Cats found the going a little rough, but managed to land a good fourth place behind Maryland, N. C. State, and North Carolina. Not content with this, the team accepted a bid to the post season Birmingham Invitational Tournament, where they ran against some of the best runners of the country. It was a weary but proud octet which returned to the campus with third place honors.

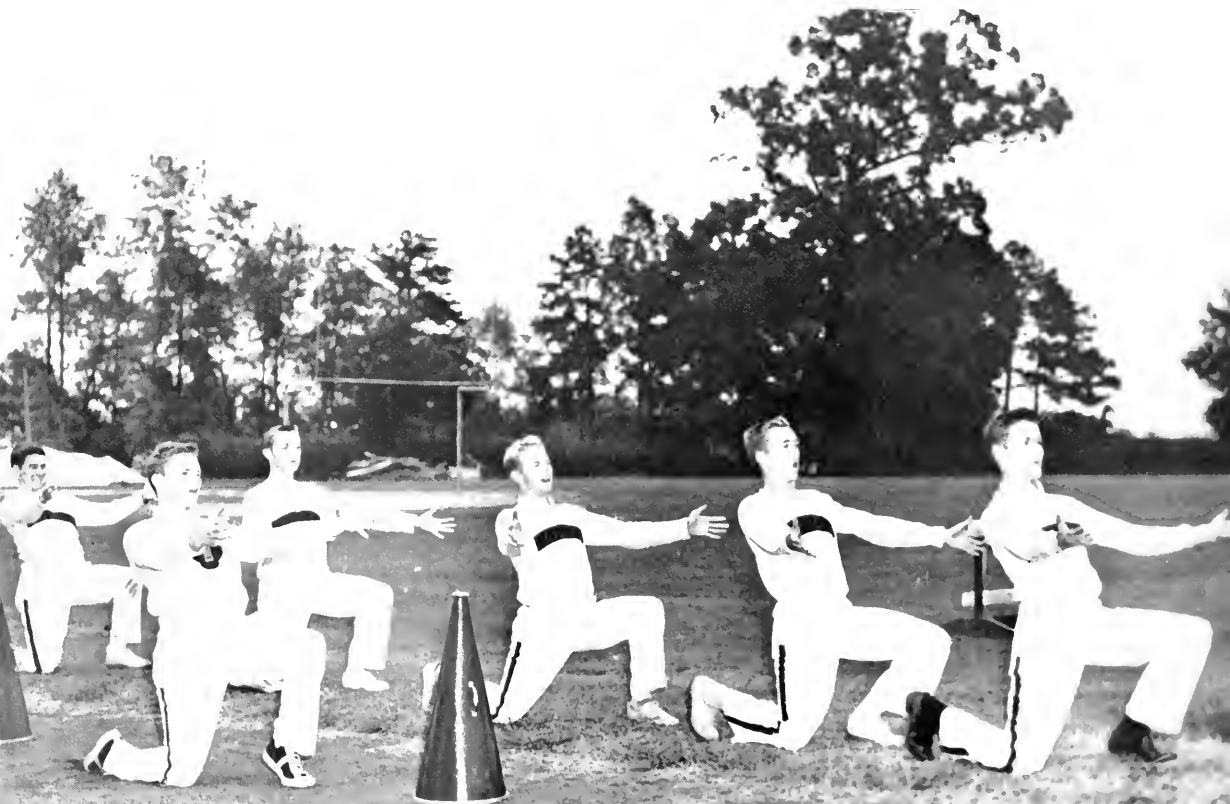

Because of the outstanding performances turned in by junior Blake Bradley, he has been elected to lead the harriers when once again they hit the open country next fall.

Cats edge South Carolina.

CHEER- LEADERS

The cheerleaders, under the leadership of head cheerleader Charlie Mitchell, kept the traditional Davidson spirit at a remarkable high through a rather discouraging season. Whether the game was in the wilds of the Hudson Valley or under the hot Florida sun, the boys in white were always there with their "Go, Go, Davidson." Aiding Charlie this year were Bruce Ballenger, Monty Hill, Bill Houck, Bo Roddey, and Bill Cassels.

THE WILDKITTEN FOOTBALL SQUAD

WILDKITTEN SPORTS

During the year, we have seen more and more interest displayed in the field of Freshman sports, and it certainly shouldn't be overlooked. After all, it is from the ranks of today's Freshmen that the future stars of Davidson will arise. With this in mind, let's turn back the calendar and review the teams in the WILDKITTEN WORLD of SPORTS.

First on the agenda is the gridiron with Coach Boyd Baird and his boys. Ably assisted by Red Wilson, Coach Baird whipped into shape some thirty odd eager Freshmen for a six game season. Although losing five and tying one with Furman, we still find some able talent to vie for next year's varsity positions. The backfield seems to be heavier in talent than the line, with White, Gregg, Stanley, Stuart, Ruth, and Bill Bowland doing outstanding work. As for the line, we find that McInnis and Tucker are giving this year's varsity boys a run for their money.

COACHES BAIRD AND WILSON

Stanley reels off nice gain.

WILDKITTENS

Next in line comes the "grunt and groan" squad under the tutelage of veteran varsity letterman Stubby Evans. With only Gene Craven and George Irvin having previous wrestling experience, the squad showed up mighty well. Craven, a 121 pounder, and Irvin in the 128 class were outstanding for the Kittens, with Craven going through the season undefeated. Highlight of the season was a victory over the Duke Freshmen.

Looking back over the records of the Cross Country Team, we see that Bob Henry and Tom Staley are the boys to watch next year. Other Southern Conference teams had better start importing jack-rabbits if they expect to match these boys.

In the realm of basketball we return to the old familiar terms of "moral victories" in regard to the past season. However, in all fairness, we should say that the Kittens were up against some stiff opposition that would have given some varsities a hard time. For the most part, the boys were hampered by lack of height, and other than that, they made some good showings. Harris Asbury is one of the boys who played well despite his short stature. George King came along fast, while Bob Graham and Adrian Bowen will undoubtedly be leading the varsity in the days to come.

THE FRESHMAN GOLF TEAM

THE FRESHMAN TENNIS TEAM

THE FRESHMAN BASKETBALL TEAM

Cochi Balton has a knack for drumming into shape some outstanding tennis talent, as all Davidsonsians know by now. Roddy's and Keesler's shoes will be hard to fill when they graduate this spring, but there will be a few Wildkittens who will be able to alleviate somewhat the pain of this catastrophe. Although they've played no games, Bob Walker and Dick Thorpe seem to be leading the way as No. 1 and No. 2 men respectively. Other outstanding netters are Bob Crosland, Dick Kelly, and Harris Asbury.

With no games played as we go to press, we'll just have to give you a knothole view of the baseballers in practice. Paul Eastman from Concord, N. H., has been giving a most outstanding appearance from the mound, while Jimmy Smith is doing his part to round out a top flight pitching staff. With But Downs in there catching and Al Reese in the outfield, Kitten fans can expect some hot ball this spring.

THE WILDKITTEN BASEBALL SQUAD

As we come to the track outlook, we find our old standbys Henry and Staley of cross country fame. During the Inter Fraternity meet, Henry broke the all time 660 yard run record. Charlie Calhoun is another high scorer of the Interfraternity meet, having won in the 220 and 100 yard dashes. Roy White has also been showing great promise in the dashes and will also put on a good showing in the low hurdles and the broad jump.

The Freshman linksmen are also untested as we go to press, but qualifying rounds have been held at the Mooresville course. These rounds have shown that we have a well rounded team in the making this year. Some of the leading qualifiers so far have been Al Gaither, George Crouch, Lawrence Erwin, Bill Bristow, and Lewis Barnes.

INTRAMURALS

Intramural sports at Davidson this year are now close to the end of what has been probably the most competitive season in many a year. As things stand now, the ownership of the trophy depends on the outcome of volleyball and softball. The Kappa Sigs, who have won it for the past three years, and the K.A.'s are the two most likely recipients.

Football ended with the Betas and Kappa Sigs as co-champions and the K.A.'s in second place. It was a close race all the way, with the Kappa Sigs winning a hard fought game from the Pi Kappas 6-0 to gain a tie with the Betas. Walt Hankins

was practically a unanimous choice to captain the all-fraternity team made up of such outstanding players as Charlie Pearson, Bill Bird, and Bill Houck.

Basketball was the most unpredictable of any of the sports this year. The Pikas started off defeating all comers, but slowed down towards the end of the season, leaving the way clear for the Kappa Sigs to take the crown. Perhaps the biggest surprise of the season was the K.A. team, which fought its way to the finals in the tournament, only to be defeated by the Kappa Sigs. The S.M. team

defeated the Phi Delt's in the consolation round. Al Fitzgerald captained the all-fraternity team, backed by Smith, Sifford, Kelly, and Bennett.

A new sport, handball, was introduced into the intramural program this year and greeted with much enthusiasm. The Kappa Sigs, led by Jim "Slick" Evans, took the crown in this also. The Pi Kapp's and SM's tied for second place.

Another sport introduced this year was swimming. The K A's won the meet in the last couple of events, beating the second place Kappa Sigs by a small margin. One of the outstanding per-

formers of the meet was Ward Patton, who swam three lengths of the pool under water.

The K A's also emerged victor in the track meet, with the Phi Delt's taking second place. The K A's won by a mere 54's of a point margin. Another record fell this year, this time to the K A's Bob Henry, who cut several seconds off the old 660 mark set by Tom Stockton last year.

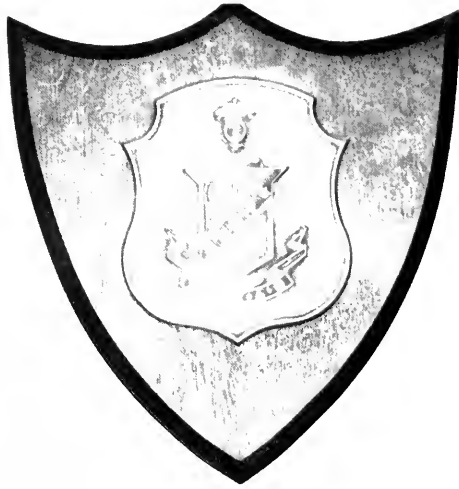

It is too early in the tournament to predict the outcome of volleyball, and softball hasn't started yet.

K A's receive Track Trophy.

PAN-HELLENIC COUNCIL

The Pan Hellenic Council is composed of ten representatives from the social fraternities on the campus. Embodied in the council is the recognition of the fact that "a strong, properly constituted interfraternity organization is necessary in order to promote such interfraternity relationships and to deal with interfraternity matters."

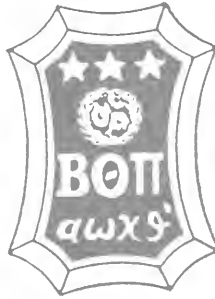

The council, headed by J. William Bird, may be justly proud of its fine record this year. Its first duty was the supervision of the rushing season in the middle of September.

The Pan Hellenic Council is not limited to one field, for it also acts as sponsor for all the dances of the Davidson College student body. The council made its social debut with the Homecoming dances, which were held October twenty first and twenty second in the Johnston Gymnasium, with music furnished by the nationally renowned band of Blue Barron. The Mid-Winter set, held February seven tenth and eighteenth with music by Tony Pastor, was most successful. At present, the student body is eagerly anticipating the annual Spring Frolics which will take place in April.

On August 8, 1839, eight earnest students at the University of Miami held the first regular meeting of Beta Theta Pi. In 1858 Phi Chapter was founded on this campus as the first national fraternity at Davidson College. The Civil War killed Phi Chapter as it killed so many other fraternities. However, after the termination of hostilities the chapter was re-established as Phi Alpha when the Mystic Seven Fraternity merged with Beta Theta Pi.

Seeking to follow the three great principles symbolized by its three stars, Beta Theta Pi has expanded until at the present time its chapters number ninety three in both the United States and Canada.

Pi Kappa Alpha, one of the older and larger college fraternities, is the perpetuation of the friendship of six students at the University of Virginia during the college year of 1867-1868. Their problems were in some measure similar to those of the entire South in its woes of reconstruction. Life at the University at that time was simple and devoid of many of the things now considered collegiate. Friendships were peculiarly warm and ideals were deeply cherished. As one of the founders has stated, "They little imagined the tree that would grow from their planting, but they planted well and deeply in the subsoil of friendship and idealism." After its founding on March 1, 1868, growth was rapid. The mother chapter took the designation Alpha, and chartered Beta in 1869 at Davidson College. From the South, Pi Kappa Alpha spread to the Southwest and Pacific Coast. Shortly after the turn of the century, chapters began making their appearances in the East, so that today Pi Kappa Alpha has eighty active chapters distributed through almost every state, with a total membership of over 24,000.

Pi Kappa Phi was founded at the College of Charleston on December 10, 1904, by three students. The Fraternity was incorporated under the laws of the State of South Carolina in 1907.

From its birth, Pi Kappa Phi has grown steadily and consistently. It is most pronounced in the South but chapters have been established all over the United States.

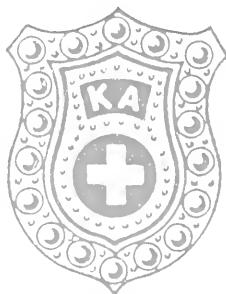

Today Pi Kappa Phi is composed of forty six undergraduate chapters and twenty seven chartered alumni groups, with a membership in excess of seven thousand.

The chapter at Davidson was the first chapter to be established in North Carolina. It was founded in 1912 as Epsilon Chapter. Since its establishment, Epsilon has seen over four hundred initiates pass under its colors.

Inspired by the rich and noble traditions and ideals of the Old South, a band of brave and hardy gray clad veterans founded the Kappa Alpha order at Washington College, Lexington, Virginia, during the war torn days of 1865. General Robert E. Lee, then president of the institution that now bears his name, served as a living symbol of their chivalrous principles as they dedicated their lives to serving Dieu et les Dames. But fifteen years later, Sigma Chapter was founded on the Davidson campus, and is now one of the sixty nine strong active chapters which dot the South from coast to coast. Crimson and old gold mark the glory of the Knights of the Kappa Alpha Order, while the Red Rose and truly Southern Magnolia are the Fraternity flowers, emblematic of Southern chivalry and deference to woman.

The Snowy White Owl on the Fiji crest spread his wings over the nation and Phi Gamma Delta now has 74 chapters in the United States and Canada. The Bachelors Club, founded in 1914 by eight Davidson men, brought the purple clematis to the "Hill" in 1923 when they became Delta Kappa Chapter of Phi Gamma Delta. Ever since the Wildeat's lair has reverberated to the favorite tunes of the singing cannibalian clan, "The Fiji Rag," "Smoke Dreams," and "Fiji Honeymoon." The White Star radiating from the Black Diamond has become the symbol of true brotherhood and close friendship.

In the ninety one years since the founding of the first Southern Greek letter fraternity, Sigma Alpha Epsilon has developed into the largest collegiate social organization in America. SAE has consistently been an outstanding leader on the college campus from coast to coast. Today she stands over all others with her 113 chapters and membership of more than 55,000. From 1883 to the present day SAE has been on the Davidson campus training many loyal sons of Minerva. During the recent conflict, brothers of the North Carolina Theta Chapter served on land and sea in every theater of operations. Many have returned a bit older and a bit wiser, but essentially the same. Some, however, made the supreme sacrifice, and it is with a sobering responsibility that we face the future in the absence of those old familiar faces.

“a look at the PHI DELTS”

- ... “Throw him a fish.”
- ... “Why the arm around Lonnie, Whit?”
- ... “Watch it, Pritch.”
- ... “Phi Delts dine, while dates eat at the Stud.”

Twenty six years ago, a local fraternity bearing the name of Delta Theta Chi was founded on the Davidson Campus and in 1928 became the North Carolina Gamma Chapter of Phi Delta Theta. Today the Davidson chapter takes an active part in all phases of campus activity and stands in a high position among the other chapters of the brotherhood.

Brothers of the sword and shield pledge their loyalty to the colors white and blue and honor the white carnation as their flower. Founded in 1848 at Miami University in Oxford, Ohio, Phi Delta Theta now numbers 107 active chapters in nearly every state in the union and in Canada.

It was in 1869 at the University of Virginia that five men, having opportunity to join one or more of the fraternities then existing at the university, but wishing to belong to the same fraternity, decided to found a new one and adopt the Greek letters Kappa Sigma as its name. Expansion during the early years was slow and uncertain, however, the early perseverance to establish chapters in the United States has led to a rapid and consistent growth of the fraternity. It is perhaps significant, because of the strength of the fraternity and the care with which chapters have been placed, to note that but few of its chapters are now inactive. There are at present 110 active chapters, which are located in approximately half of the universities and colleges located in the United States and Canada which have chapters of national fraternities. Delta was founded at Davidson in 1890, more than half a century ago, and was among the first active chapters in the country.

Sigma Phi Epsilon was born on November 1, 1901, on the campus of Richmond College in Richmond, Virginia. There were twelve friends who joined together for the sole purpose of friendship and, with their far-sightedness, founded a fraternity that has now taken its place among the great ones of the fraternity world. The twelve friends founded a group which they called "The Saturday Night Club," the program of which was "to recruit the best men of the college that they might be more closely bound together." They succeeded finally in the establishment of a new Greek letter group. Thus the infant fraternity grew into the strong, powerful organization it is today, enumerating the birth of all its active chapters in every section of the country and of its alumni members in every part of the world. Its growth has been carefully planned and regulated so that today Sig Epsilon Chapters are to be found on the campuses of nearly every important college and university in America. North Carolina Epsilon Chapter of Sigma Phi Epsilon fraternity was founded here at Davidson in 1927, the outgrowth of the old Pyramid Club.

On June 28, 1855, at Miami University, Oxford, Ohio, six former members of Delta Kappa Epsilon invited an associate to form with them a social fraternity. Out of this union was born Sigma Chi, which has since established itself as a leader in the fraternity world. This founding of Sigma Chi grew out of a dispute in the Kappa Chapter of DKE over an election for poet in a campus literary society. When six of the brothers voted for a more competent candidate than a brother, a split occurred in DKE, and the above six withdrew to end the trouble. Sigma Chi came to Davidson in the spring of 1948 as a result of the dreams and hard work of a group of fifteen who formed themselves into the petitioning group known as Delta Kappa in the fall of 1946. The coming of Sigma Chi to the campus along with Beta Theta Pi and Phi Delta Theta marks the completion of the Miami Triad, composed of the above three fraternities founded at Miami University. Since its formation, Sigma Chi has grown to 118 active chapters with a living membership of over 70,000. With "the girl of my dreams" ringing in their ears, thousands of Sigs all over the land will gather to select their "Sweetheart of Sigma Chi" in the coming spring. Having 115 alumni chapters, more than any other college fraternity, Sigma Chi feels that it must have something in order to hold the loyalty and interest of men long out of college.

“down at THE CAMPUS CLUB”

... “I’m sure I flunked that review!”
... “Someday we’ll have to buy chairs.”
... “Sybil places Malloy under her thumb.”
... “Come into my parlor . . .”

Forty men gathered at the Guest House on the evening of October 13, 1947, to organize a new social organization for the students of Davidson College. The purpose of this new group was to extend the benefits of an organized social life to as many men as chose to join. After long deliberation the organization adopted as its name "The Campus Club." At first a very large, loosely knit group, The Campus Club has this year become a more compact and active brotherhood, largely as a result of its new boarding house, opened in November. On the cover of an explanatory pamphlet sent to freshmen this year were the words "Fraternity, Democracy, Frugality." Though not an official slogan, these words perhaps express very well the philosophy of The Campus Club.

Recognizing the changed situation of the Davidson campus, The Campus Club is seeking a more effective means of service to the college and its students.

Seventy-five percent of Campus Club men returning next year are petitioning Alpha Tau Omega Fraternity. Twenty-five percent will continue the Campus Club.

FRATERNITY

COUNCIL

The Honorary Fraternity Council is made up of the president or one representative from each honorary fraternity on the Davidson campus, with its membership totaling seventeen.

An honorary fraternity is one which deals with a specific object or field. Its members are elected or chosen

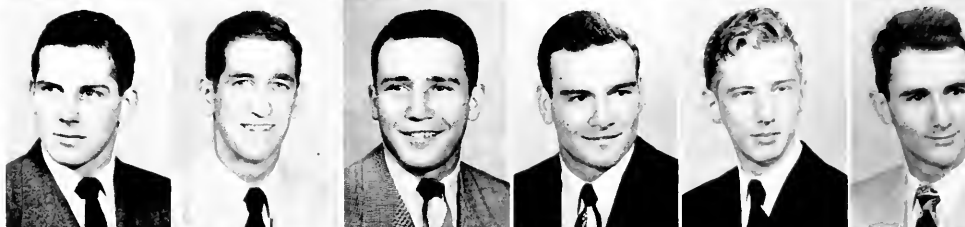

only when they have shown outstanding abilities in the subject of the particular group.

Duties of the Honorary Fraternity Council include: approving honorary fraternities that wish to organize on the Davidson campus, setting the dates for the meetings of each honorary group, and seeing that the fraternities conduct regular programs in their particular fields.

OMICRON DELTA KAPPA

One day in the fall and again in the spring Omicron Delta Kappa selects those men who have fulfilled its primary requisite of leadership. O.D.K. was established in 1914 at Washington and Lee University for the purpose of recognizing the qualities of leadership among college men. This fraternity does more than just recognize leadership here on the Davidson campus; it is an organization for the purpose of discovering problems that confront students during their college life on the campus, and tries to formulate plans and devices for the purpose of aiding every student in a better understanding of Davidson.

The purpose of the International Relations Club is to foster interest in world problems and relations and to promote discussion on questions of international importance. In this way the I.R.C. strives to provide strong leadership for intelligent political thinking on the campus. The local club at Davidson is sponsored by the Carnegie Endowment for International Peace. The Davidson I.R.C. meets twice a month, inviting faculty members, students, and guest speakers to speak on subjects of world interest, and holding informal discussions for the purpose of reaching constructive and useful conclusions on these issues.

DELTA PHI ALPHA

The national honorary fraternity, Delta Phi Alpha, seeks to honor excellence in German and to give students thereby an incentive for higher scholarship. The fraternity aims to promote the study of the German language, literature and civilization, to further an interest in and a better understanding of the German speaking people, and to foster a sympathetic appreciation of German culture.

APPRECIATION

THE staff of the 1950 QUIPS AND CRANKS would like to thank all persons who have worked so tirelessly with us on this year's book. Especially we would like to express our appreciation to:

Mr. Buck Shelton and Mr. Price Coursey and the art department of the Charlotte Engraving Company, who have spent many long hours in bringing the pictorial matter to completion.

Mr. Harrie Keck of the Observer Printing House, who has been very patient and efficient in getting the printed matter to press. We would especially like to thank him for his work on the cover design for this year.

Mr. and Mrs. J. C. Brumfield of Brumfield Studio, who have spent much time and energy in trying to add perfection to the individual portraits.

To these and many others we express our gratitude, realizing that the completion of this book is due in great part to their efforts.

Mile Ahead Thinking

The veteran engineer of the 20th Century Limited was asked what he thought about as he piloted his eruek passenger train at 70 miles per hour. "Just one thing," he responded, "a mile ahead!"

THE INVESTOR is traveling just as fast along his economic roadbed as the 20th Century Limited and it would be wise for him to think "a mile ahead."

Will the coming months, with their unusual opportunities and hazards, find you shackled to investment decisions that you will regret? Review and proper action now should have as an objective security against pitfalls and maintenance of sound financial progress.

If investments which assure a balance between manageability and dependable income seem best suited to your needs, let us help you plan today in terms of tomorrow.

HOW TO MAKE FRIENDS AND KEEP THEM

1. Keep skid chains on your tongue; always say less than you think. Cultivate a low, persuasive voice. How you say it often counts far more than what you say.
2. Make promises sparingly, and keep them faithfully, no matter what it costs you.
3. Never let an opportunity pass to say a kind and encouraging thing to or about somebody. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully.
4. Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those who rejoice, and mourn with those who weep. Let everyone you meet, however humble, feel that you regard him as a person of importance.
5. Be cheerful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a pleasant smile. Laugh at good stories, and learn to tell them.
6. Preserve an open mind on all debatable questions. Discuss, but don't argue. It is a mark of superior minds to disagree and yet be friendly.
7. Let your virtues, if you have any, speak for themselves, and refuse to talk of another's vices. Discourage gossip, and make it a rule to say nothing of another unless it is something good.
8. Be careful of others' feelings. Wit and humor at the other fellow's expense are rarely worth the effort, and may hurt where least expected.
9. Pay no attention to ill-natured remarks about you. Simply live so nobody will believe them. Disordered nerves and poor digestion are common causes of backbiting.
10. Don't be too anxious about getting just dues. Do your work, be patient, keep your disposition amicable, forget self, and you will be respected and rewarded.
